BATTERY LAYOUTS

BATTERY TERMINALS

BATTERY HOLD DOWNS

B00	Without Hold Down	
B01		B09
B03		B13
B04		B14

EXPLANATIONS

- 1 - Sealed Maintenance free Batteries
- 2 - Block LID (Post Height with in Lid height)
- 3 - Integrated Handle to cover
- 4 - Lateral Handle (From container)
- 5 - With Magic Eye indicator
- 6 - Heavy Duty Batteries
- 7 - Additional Vibration Resistance in Heavy Duty Batteries
- 8 - With High Life Cycle

BENAN GROUP

VISION

Be a global manufacturer of storage batteries, markets the full range of high performance products for different applications and using the latest technology in industry.

MISSION

Build the best product with the highest grade of quality, value and establish a culture that supports our team members, clients and suppliers to build long term business partnership.

VALUES

ENB success is a product of long-term values of integrity and commitment across our customers, employees, customers and suppliers are treated with due respect and value, full compliance to standards and HSE which facilitate a positive and productive environment.
